Unpopular take I guess, but I genuinely don't like therians... especially when they do that stupid jumping shit.

Why are we being miserable in the year 2025

Anyways

"UnPoPuLaR TaKe"

How about you make taking a shower popular, you're a FURRY, humble yourself mfr

Same mfrs that like to touch animals btw, oh and draw lolicon art but furry then claim it's not pedophilic, oh and claim a child fetish they have is a kink under the guise of age regression despite these same people having literal rings of CP

Oh and bite people's finger off at a furry con, or hotbox their con rooms, or vandalize property with zoophile stickers, or abuse actual fish by including them in sexual intercourse
